HOME SUPPORT NORTH

Charitable Trust
a non-profit community organisation

Providing a range of support for older people and those living with a disability at home and in their Community.

How can Home Support North assist you?

About Us...

We are Northland's largest Home Support Service Provider and have been operating since 1994.

We are an approved provider of home support services and are funded by the Ministry of Health and Northland District Health Board. We are a non-profit, community-based service.

We are certified to the Home and Community Support Sector Standards.

Individualised funding is specifically designed to allow someone living with a disability, greater choices on how services can be delivered with personal choice about who comes into their home and what the carer does.

So how can Home Support North assist you?

Option One: Self Managed System

Client/Support Person will receive information and coaching on setting up and managing Individualised Funding requirements:-

- Employing Staff / Recruitment
- Employment Agreements
- Employment Relations/ obligations
- PAYE & tax requirements
- Kiwi Saver
- Support Plans
- Health & Safety
- Managing separate IF funding account.

Home Support North will invoice the Ministry of Health on your behalf for hours utilised and forward funds directly to you for payment of wages or services utilised.

In order to be eligible for option one you need to have access to electronic banking and an adequate payroll system.

Option Two: Payroll Support System

In addition to option one you would also receive provision of a payroll mechanism system allowing you to authorise Home Support North to make payments to your employees. This payroll mechanism will include management of ACC, PAYE and Kiwi Saver on your behalf.

Additional Services

Home Support North can offer the following additional services, support or advice which may incur an additional cost:-

- Relief staff
- Staff training
- Performance Reviews
- Staff Induction
- Paperwork & form samples
